

## Sounds Like Sunday Music Series

May 12 from 11 AM - 1:30 PM

Mike Roland

There have been many incarnations of the Mike Roland band. This line up started in Red Deer in May of 2022 and has been burning up venues with much success. Dan Shaw on Bass, the drummer known as Fabrice and Mike Roland play a variety up tempo country and Rock & Roll songs. With years of experience playing in different bands, this group has come together to become a very strong unit.
