Cheryl Fisher Jazz Trio

The Cheryl Fisher Jazz Trio is lead by Cheryl on vocals & percussion, Eric Allison on woodwinds & percussion, and Morgan McKee on keyboard. While most of the music they perform is jazz-oriented, they cover many different styles with something to offer everyone. Their repertoire ranges from the classic standards to bebop, ballads, and blues, bossa nova and Latin, funk and even "jump" swing. Cheryl, Eric & Morgan have played for many years together, and their cohesiveness shows in the sheer joy they create with each other on the bandstand. Cheryl has 6 CD's out as a leader and is an internationally recognized jazz singer, composer, and lyricist.
