Shalaine Stebner Trio

Shalaine is a singer/songwriter from Ponoka, Alberta. She uses the 80's/90's/2000's country she grew up on to influence her writing and delivers a roots based, heart first style of writing and composing. She loves being on stage, and it's even more special that her dad travels with her, playing drums. Shalaine has performed across central Alberta including at Westerner Days, the Canadian Finals Rodeo and the Red Deer Resort and Casino and is proud of the electric experience she delivers. She just released a new EP, and her song "Brenda", is currently #2 on the Canadian Indie Country Charts.
