Shalaine Stebner

Shalaine Stebner is a singer/songwriter from Ponoka with some big dreams! She loves 80's/90's/2000's country and infuses that into her music. She has released 9 songs on all streaming platforms and her single "Dirt Road Raised" was featured on CFWE's Alberta Singer/Songwriter spotlight. Shalaine has had an amazing couple of summers with having the privilege of playing gigs all across central Alberta including Westerner Days, Tompkins Park, Uglys, Jorgys, a few local steak fry's, and she also won the opportunity to open for Chad Brownlee for Summer Send-off. Shalaine is currently writing new music and hopes to release it in the fall.
