

## Capstone Cabaret

September 29 from 7pm - 9:30pm

Mike Szabo

If you listen closely to the songs of Mike Szabo, you may well feel that he wrote them for you. If you ask him, he'll tell you he did.

In 2017 Mike found himself on a stage and behind a mic for the first time and then, the songs began to come. Now, with a catalog of his own songs, Mike has found his passion, his voice and his true calling.

A lifetime Albertan and father of two wonderful daughters, Mike believes it is never too late to try new things. With the support of his family, his community and his peers, Mike has a full head of steam, he's chasing his dream and at 64 years young, he'll tell you he is just getting started.
