

## Sounds Like Sunday Music Series

September 29 from 11 AM - 1:30 PM

The McKee3

Morgan McKee has been a part of the Alberta music scene for over 30 years, playing in jazz groups for all the major Alberta jazz festivals, pop/rock/blues groups all over the world and as a feature player on many albums.

Mandy McKee has been seen on stages with symphonies and jazz groups for almost as long, all over the world and was most recently a guest with the RDSO on their virtual season.

Rainier McKee is only 14, but already has several jazz and musical theater credits under his belt and is a very entertaining drummer.

Together, the McKee3 will take you through jazz infused covers and standards, through haunting vocals and up-tempo solos with a healthy dose of fun!
