Taylor Drive

Join us for an unforgettable evening with Taylor Drive featuring special guest Denis Boisvert. Experience your favorite folk and rock classics from the late 50s, 60s, and early 70s, performed on acoustic instruments.

Taylor Drive takes you on a musical journey through the finest years in music, led by two performers who each lived out their formative teenage years in different decades. While they effortlessly cover iconic bands like the Beatles, Rolling Stones, and CCR, what sets them apart is their repertoire of lesser-known gems that will surely evoke nostalgic memories. From the timeless hits of Tommy, Johnny, and Bobby to the unforgettable tunes of the "G & T's" like Gerry & the Pacemakers, Gary Lewis & the Playboys, Tommy James & The Shondelles, Gary Puckett & The Union Gap, and Eric Burdon & the Animals.

And let's not forget Denis Boisvert, known for his impeccable tenor voice, delivering the best of 80s and 90s acoustic rock. Join us for a night filled with music that will bring back cherished memories and create new ones.
